## Trinity's Credit Club Memberships

Enhancing and educating all your credit needs to help build you a "Good Name", as well as a long credit history. Allow Trinity's 11 years of credit expertise to monitor and watch your credit on a monthly basis.

Do you need peace of mind and want to know someone is watching to protect your Good Name? What's your time worth? What's your credit worth?

### Benefits of our Credit Clubs:

#### Monitoring for your Credit Needs

We will help you watch and monitor your credit usage (debt to credit ratio), as well as stay on top of your credit card balances. This can help prevent new collections and potential, damaging new negatives that are coming on your credit report. Includes inquiry watch and alerts on any new accounts.

#### Discounted Expertise of Services

This applies to any disputes, advice of legal terms and credit questions if needed to fight the credit bureaus or debt collectors on your behalf.

#### Monthly Educational Emails

These will include educational tips on building strong credit scores and long credit history, as well as give you monthly email updates of your scores and credit report.

#### Access to Trinity's Database

You will be given a username and password which will allow you to see all the activity on your account every month, as well as see scores with notes of services and suggestions about your credit.

#### Trinity Help Center

One-stop shop for questions or concerns you get in the mail or phone calls from creditors. Each customer is treated with care and concern to ensure the best possible solutions and resources.

#### Peace of Mind

Trinity can protect your Good Name, watch activity the credit bureaus report and save you money by staying on top of your credit on a monthly basis.

"A good name is more desirable than great riches; to be esteemed better than silver and gold." Proverbs 22:1

**Disclaimer: All services under the credit builder program are communication form of email and by phone which includes emailed education on how credit works and what Trinity advises to the consumer to do in order to achieve maximum benefit of scores, etc. Expertise strategies will help the consumer build strong credit scores and history on paper. Please note the monthly membership does not include the monthly credit monitoring you need (privacy guard or credit karma login). Each customer will have to provide their credit monitoring login (username, password and membership number) for Trinity to effectively assist in building a stronger credit during the time of program. **\*Also, please note that any dispute, credit repair activity, or credit letters to stop collections or harassment services are at an additional cost and NOT a part of this program.\*****
